Obv.

- 1 I am [...]
 2 I shall place [...]
 3 I shall be attentive, I shall watch out [...]

 4 The boy is not aware of the (girl) watching him.
 5 To you I am very much attracted(?),
 6 I have not devoted myself to anyone:
 7 Rejo[ice in me, co]me quickly, O beloved!
 8 Your sweetness has twisted my [he]art(?).

 9 I kept forgetting my words,
 10 I do not keep hold of my thoughts, like a dream.
 11 I think of the (girl) before me.
 12 I whoam blooming, my fate (lit.: god) is with you!
 13 I go around (you) like a wife, so that (you?) will *not be "stiff"*.

 14 I talk about you constantly,
 15 I am consumed, I am convulsed, I am distorted(?),
 16–17 I miss you again, I am distressed!
 17–18 I saw your face: you are a god!
 18 I implore you:let your heart rejoice in me!

Rev.

- 19 **It is you who renews me,**
 20 **Verily! a lover awaits for you!**
 21 I am chosen - submissive and a slave for you,
 22 truthfulshe is - me, your favorite sign!

 23 **My fruits are not to ignore,**
 24 **My sexual attractiveness is not (easy) to reach.**
 25 I will be suitable for you, I will be submissive to you,
 26 Verily! My love is your gift!
 27 A loving (girl) brings luck to whom she loves.

 28 At daytime he went away from me:
 29 my darling is not spared from their (the gossiping women) mouth.
 30 Those who slander me
 31 are not gloomy, day and night.
 32 Let your heart be *amicable*,may it not accept the lies!

 33 To the heart ...

- 34 Many things my ... is full.
- 35 ... me ...
- 36 ... not ...
